

As discussed with you and on behalf of **Unilab Inc.**, we are offering you the position **Information Security Analyst** under the **INFORMATION SECURITY AND DATA PRIVACY** Division subject to your compliance of all necessary pre-employment requirements including but not limited to medical clearance.

The major components of this appointment will consist of the following items on top of the government mandated benefits in the Philippines plus the company benefits that is enumerated in the Benefits Index attached in this letter.

You will receive a gross monthly basic salary of ₱45,000.00.

The 13th month bonus shall be pro-rated on the first year and computed based on monthly salary at the time of payout (November 15)

As a regular employee, a bonus equivalent to half ($\frac{1}{2}$) month's pay shall be granted every February 15, June 15, September 15, and December 15 based on the monthly salary at the time of payout.

Employees shall qualify for the Merit Rating Increase (MRI), subject to the Company's prevailing MRI policy. If hired and regularized within the same calendar year, any applicable MRI shall be prorated based on the hire date.

Profit share shall be pro-rated on the first year and computed based on actual business and individual performance, as well as job level and tenure. Entitlement shall begin on the applicable performance year when you are regularized, with pay-out every April 30.

The company shall provide you a monthly Rice Allowance equivalent to 2,000 Php.

You shall be entitled to a company car based on job level/position (not necessarily brand new) with corresponding gas allocation and other work tools such as computer and mobile phone
